Dance Co.
Houston, TX

Laila's mom is the owner of PRO Status Cheer and Dance, and her dad is a soccer coach. Naturally if Laila did not cheer, soccer would be her sport. However for the upcoming season, she is excited to perform her dance solo and her stunts for cheer as a flyer. Also this season she'll be able to perform her back handspring which she mastered during summer training. ■

Laila is a 4th of July baby who is full of spunk and energy!

Dallas, TX

This past summer Kalei worked very hard on her flexibility. As a future teacher who someday wants to travel to Disney World in Florida, her favorite cheer skill is her back walkover. Kalei also has a love for dance along with her many talents. She tells us that if she did not cheer she would dance ballet. ■

Kalei is always told how her smile is so beautiful!

Here is a song book, a story book, a poetry collection, and much more, all rolled into one. Experience a cultural journey with rhythms that will inspire your creativity for cheer and dance. Partner with a friend for hand claps such as "Eenie, Meenie, Sassafreeny,"

Karis is a four year old dynamo who has progressed with many flexible dance skills. Her favorite dance skills involve any moves with leg extensions. This summer, Karis is working hard on her scorpion pose for her performances. When we asked her what would she do besides dance, she said she would do gymnastics. As a future ballerina, her talent will definitely have her following in the footsteps of many talented dancers. ■
